## "HOMECOMING GAME"

*Another Marple Newtown Booster Club Project*

## WELCOME

The MN Student Council is extremely proud to present the homecoming queen candidates and announce that the parade grand marshal and guest of honor at today's Homecoming game is Harry R. Harvey.

Mr. Harvey came to MN in 1927 as a teacher, and coached all the sports of the small high school. During his forty years as coach and athletic director, Mr. Harvey watched the school grow from a graduating class of five, to a mammoth 650 in 1967, the year he left. He began the first MN homecoming with Springfield in 1936. The MN sports scene of today is a tribute to Mr. Harvey's years of dedication. On Thanksgiving Day 1957, the football field was named Harry R. Harvey Field.

Thanks to L. P. Cowan Flowers and Gifts, and Broomall Jewelers for the Homecoming Queen gift.

1974 HOMECOMING QUEEN  
Kim Lawrence

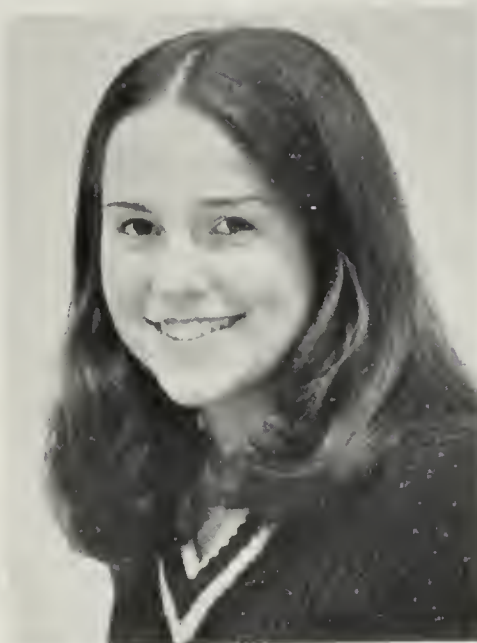

Sue Hartman

Lizanne Maas

## PRINCIPAL'S MESSAGE

It is with special pride and thanks that I express my appreciation to all of our athletes, our coaches, and the parents of the Marple Newtown Boosters Club. The past school year is a credit to the Boosters Club. The new leadership gave rise to a new enthusiasm which pervaded our entire athletic program. As a result, for the first time in its history, Marple Newtown Senior High School athletes will play "under the lights." Through the efforts of the Boosters Club, lights have been installed on Harvey Field. This, coupled with the equity established among boys and girls athletics, marks the beginning of a new era of athletics for the Marple Newtown School District.

William Capriotti

# **"Let There Be Light"**

Just a year ago, there was a dream to have Marple Newtown's Athletic Field equipped with lights so that various athletic events could be held at night.

This dream became contagious and spread to the coaches, administrators, students and even into the community. The cure was to take much in the way of research, planning and fund raising, for the ultimate goal would be the reality of lights and this would take many dollars.

With ever raising taxes the "Boosters" would not ask the school board to finance these lights by using taxpayers money. This would have turned it into a nightmare. Where then was the money to come from? Well, it started when the "Boosters" bought out the Spectrum for opening night and had the M.N. Band and Athletes play and perform on ice skates. Then the service clubs of Marple and Newtown were solicited. With the generous response from the Newtown Square Rotary Club the M.N. Band Parents Association, Broomall Rotary Club and The County Leader, coupled with the "Boosters" over 50% of the necessary funds were raised.

The dawn is here, the reality of the lights for our athletic field where the community will be able this year to see four football games, five soccer games, one field hockey game and a Band-a-Rama.

We thank those organizations that have already financially supported our lights and to those who have promised their support in the future. Dreams really do come true.

The cure was the reality of our lights, but the cure is only half way paid for. You can help by supporting the concessions here at the game, purchasing football programs, joining the "Boosters" and/or sending your check to the M.N. Booster Club, P.O. Box 28, Broomall, Pa. — "And there was light."

FRANK C. VIDEON  
President, M. N. Boosters

# The Leader Preview

## MN vs. O'Hara

Two years ago on a sunny September Saturday an instant football rivalry was born when Marple Newtown and Cardinal O'Hara met for the first time. The crosstown rivals were a natural match and the first game of the series attracted one of the largest crowds ever to MN's Harry Harvey Field.

O'Hara scored in the final seconds of a thrilling game and went on from that opener to complete an unbeaten season and capture the Philadelphia City Championship.

Now, MN and O'Hara meet on Thanksgiving Day. Both school's athletic departments prefer having this "big game" atmosphere in the season finals rather than on opening day.

This will be the last game for both squads because O'Hara is not in the Catholic League playoff picture this year. The Lions got off to a slow start under new coach Bob Ewing and then were stunned in their final league game by Roman Catholic. MN is down in the Central League and they too come off a loss in their last league contest.

Neither team has been pleased with their season and both would like to end on a winning note. Add to that an inherent rivalry in the matchup, and there is promise of a good hard-hitting game for the large crowd expected this morning.

MN will rely on the running game as Dan Peterson leads a flock of backs taking handoffs and pitches from quarterback Drew Roulston. The passing game has worked for MN when Roulston takes a straight dropback, but that could be a problem today.

O'Hara has a strong front line that has been effective in putting pressure on the passer. Pat Collelouri leads the line which gave O'Hara a win this season on a safety and shutout. If the Lion line takes control of the game early, MN could be in for a rough time. MN has shown a tendency to make mistakes when that happens, and that could make it very difficult.

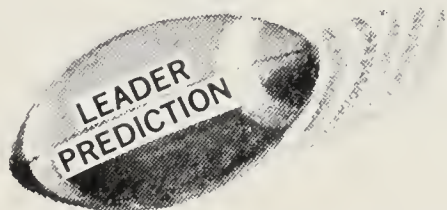

But O'Hara might find some trouble moving the ball also. The Lions have also been an error-prone team offensively. Kevin McCafferty has replaced the injured Mark Verica at the helm of the Lion offense. Gone is the multiple set attack of the past with a more basic approach in moving the football now evident. But the Lions have not moved consistently enough this year to challenge for Catholic League honors.

But they should do well enough against MN to win the game. MN's defense has been vulnerable to a passing game all year but it is questionable that O'Hara will test that too often. They should rely on their strong defense to shut down the Tigers and give their offense the ball often enough that they manage to put points on the board.

The Marple Newtown Lions Club presents a "Top Cat" Trophy to the winner of the O'Hara Lions vs. MN Tiger contest. It's been sitting in an O'Hara trophy case for the past two years. They won't have to move it.
